We had a little incident at the Emperors ball please do not bring in alcohol from the outside. Please do not get drunk. Crown Plaza did not raise a stink. This could cause us to lose our contracts and non profit status with the state.

Question – what is the best way to proceed as it is happening? Bring it to a board member as it happening. Please remember not to bring it down from your room.

New members – Jessica Garcia – tell us about your self.
