Pride Beverage Booth

Our assigned booth is at the Community Stage

Only five courtiers have responded to Joseph's request to cover the booth. He will need at least five per shift to ensure adequate coverage for alcohol and water sales. Courtiers will need to contact Joseph in order to get tickets into the Festival when working our assignment

It is very important for all courtiers to watch for underage or over-indulgent Pride attendees and not sell alcohol to these individuals

In Town Honors will be at Gaspers, Sunday April 28th. Cost is \$25.00 per person.

Coronation is May 4 -6, 2012

Joseph reminds all that we will be hosting all friends and courtiers from around the country and will be our guests

Plan to be at the next two Coronation meetings

Saturday, after Coronation, all courtiers need to stay in the ballroom to help take down the set

Joseph reminds all that this is a new hotel for us. Please watch our actions so as not to cause problems for the Court. If we note attendees who have had too much beverage, please plan to escort them to their rooms.

The doors open at 6pm and Coronation starts at 7pm

Rehearsal will be Saturday afternoon

New Business

May meeting will be nominations for replacement Board members whose terms expire after this reign.
